Milwaukee County Healthy Infant Court

HIC Team Confidentiality Agreement

I, _____ (print name), am participating in Milwaukee County Healthy Infant Court (HIC). I understand that everything that is said in the HIC team meetings and professional meetings is confidential and cannot be shared with anyone outside of the team. I understand that everything related to specific Child in Need of Protection or Service cases discussed in Milwaukee County Healthy Infant Court meetings is confidential and cannot be shared with anyone outside of the HIC team. I understand that information from family case managers and treatment providers will be discussed with the whole team to provide learning opportunities to professional members of the HIC team. This discussion is used to look at the needs of the participants, follow their progress, and develop and adjust the participant's treatment and case plans in response to his/her needs.

Information may be shared between team members outside of the team meetings to change treatment and case plans. Team members may be required to share information if it is a report of child abuse or neglect that requires a mandatory referral.

I understand that I may hear information that is highly sensitive and legally confidential. I swear that I will not talk about the identity of the participants or their families or any information that I heard about them with anyone outside of the HIC team.
