Dear Parent or Guardian of [child]:

Recently a party in the above entitled matter filed a request for discovery of the Kenosha County Department of Children's and Families case file in which you/your child is named. A hearing regarding the release of the file will be held on September 30, 2021 at 9:00 a.m. at the Kenosha County Circuit Court, 912 56th Street Kenosha, WI Room 124, the Honorable Jason A. Rossell presiding.

If you wish to object to the release of the file or be heard regarding release please be present at the Court Hearing. You may hire an attorney to represent you at this hearing, however, any child who wishes to have an attorney will be appointed a Guardian Ad Litem by the Court. After hearing any objections, the Court will determine what if any portion of the file is released. Please be aware that any release of the file will be subject to a Court order limiting its release for purposes of the civil case. No further disclosure will be permitted by the Court. Failure to appear at the hearing may result in the Court making an order releasing the file without your input.

Hon. Jason A. Rossell
