

SURVEY ON PARENTS' EXPERIENCE WITH CHIPS CASES IN COURT

Children's Court Improvement Program (CCIP)

Do you work with parents who have CHIPS cases? Can you help CCIP distribute this survey?

OUR SURVEY:

- Parents will be compensated for their time
- The survey is voluntary & anonymous
- The parent's name is not connected to the survey
- The survey will not impact a parent's case
- Parents can take the survey whether their CHIPS case is open or closed
- Parents can skip any survey questions they do not want to answer
- The survey should take about 10 minutes
- For security reasons, **please do not post survey on social media**

The Children's Court Improvement Program (CCIP) would like to know about parents' legal experiences with CHIPS cases - in their own words - to improve family engagement in court!
